*Keeping Babies & Children Safe &
Comfortable for over 40 years*

Pedi-Boards®

You really have to feel these IV boards to appreciate how exceptional they are. The core keeps them rigid through repeated use but the unique padding keeps them soft, especially at the corners.

- No Latex
- Reusable - just wipe clean with standard disinfectants

We also have Adult size IV Boards:

- 3" x 8"
- 3" x 15"

Call for samples

Pedicraft has been manufacturing specialty healthcare furniture since 1966:

- Bassinets for the Newborn Nursery
- Neonatal & Pediatric Cribs
- Rover™ Pediatric Stretcher Crib
