

Pedi-Crib Bed

The new Pedi-Crib Bed

Now our complete line of cribs is available in the Rover colors you love!

Soft Vinyl Top

Easy to clean vinyl panels give this sturdy crib top a pleasing appearance.

- Completely enclosed to ensure that your patients will remain in their cribs.
- The sides of the top can be raised for easy access to the interior of the crib. Top release knobs are widely spaced to prevent operation by children.

New, easy to operate handle! Turn handle and lift to unlock the side rail, then lower. To raise, just lift the side rail and it locks securely at two mid-stops and fully closed position.

- Two sizes:
 - 35x60 Pediatric Crib
 - 35x76 Crib Bed (pictured)
- Optional Head Elevation feature operates by hand crank to 30 degree angle.
- Meets ECRI recommendations and Consumer Product Safety Commission regulations:
 - 27" high side rails
 - Space between vertical tubes is less than 2 3/8"
 - Gap between mattress and side rails is less than 1"
 - Mattress meets new Federal Flammability Standard 16 CFR 1633

- 33722** 35x60 Pediatric Crib

Keeping Babies & Children Safe
and Comfortable For Over 35 Years

Crib Options & Accessories

Mattress

The Pedi-Mattress has a lightweight high density foam core. The tight fitting cover is made of antibacterial, flame retardant Sure-Chek®.

In-stock sizes fit Pedi-Crib Beds® and conform with the spacing allowances recommended by the Consumer Product Safety Com-

- Mattress meets new Federal Flammability Standard 16 CFR 1633

Custom mattress pads available

- Stretchers
- Bassinets
- Cribs
- Youth Beds
- Sleeper Chairs

IV Pole

The IV pole accessory can easily be bolted to any corner of a crib, even when a crib top is used.

Storage Bin

Removable storage bin provides the perfect place to keep diapers, blankets and patient's personal items.

Includes secure location for Oxygen Tank. Accommodates MD & ME size cylinders.

Head Elevation Option

Allows one-third of the mattress to be elevated, enabling the patient to sit up in bed.

Bumper Pads

Protect your patients with our pediatric bumper pads, made of 1 1/2" thick foam, and covered with Sure-Chek® vinyl. Our bumper pads are fire retardant and easy to clean.
