You Decide...You Design

Introducing U-Design Bassinets™

Another innovative idea from Pedicraft. Now you can pick the storage design that best suits your needs without paying custom-made prices.

Each bassinet cart comes **completely assembled** and is constructed of 100% stainless steel; polished for a handsome appearance and corrosion resistant for years of reliable service. Acrylic bassinet baskets and Sure-Chek® mattresses are included with every bassinet.

The Pedi-Crib Bed

The new Pedi-Crib Bed

Now our complete line of cribs is available in the Rover colors you love!

Soft Vinyl Top

Easy to clean vinyl panels give this sturdy crib top a pleasing appearance.

- Completely enclosed to ensure that your patients will remain in their cribs.
- The sides of the top can be raised for easy access to the interior of the crib. Top release knobs are widely spaced to prevent operation by children.

New, easy to operate handle! Turn handle and lift to unlock the side rail, then lower. To raise, just lift the side rail and it locks securely at two mid-stops and fully closed position.

- Two sizes:
 - 60" Pediatric Crib
 - 76" Crib Bed (pictured)
- Optional Head Elevation feature operates by hand crank to 30 degree angle.
- 26" high side rails
- Space between vertical tubes is less than 2 3/8"
- Gap between mattress and side rails is less than 1"
- Mattress meets new Federal Flammability Standard 16 CFR 1633

The Pedi-Crib Options & Accessories

Mattress

The Pedicraft Mattress has a lightweight high density foam core. The tight fitting cover is made of antibacterial, flame retardant Sure-Chek® vinyl. In-stock sizes fit Pedi-Crib Beds®.

- Mattress meets new Federal Flammability Standard 16 CFR 1633.

Custom mattress pads available

- Stretchers
- Bassinets
- Cribs
- Youth Beds
- Sleeper Chairs

IV Pole

The IV pole accessory can easily be bolted to any corner of a crib, even when a crib top is used.

Storage Bin

Removable storage bin provides the perfect place to keep diapers, blankets and patient's personal items.

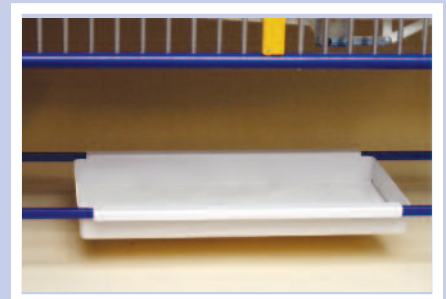

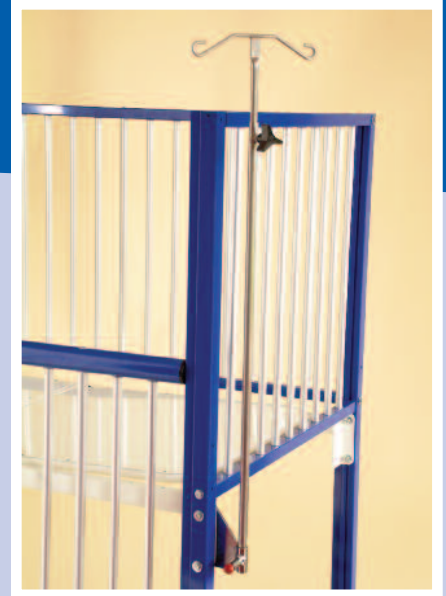

- Includes secure location for Oxygen Tank. Accommodates MD & ME size cylinders.

Head Elevation Option

Allows one-third of the mattress to be elevated, enabling the patient to sit up in bed.

Bumper Pads

Protect your patients with our pediatric bumper pads, made of 1 1/2" thick foam, and covered with Sure-Chek® vinyl. Our bumper pads are fire retardant and easy to clean.
